*The Prayers of the Righteous...*

Sister Selena Bryant: Expressed her gratitude and thanksgiving to the congregation for their prayers, calls, and text messages. The procedure went well and she is so very thankful for a family like Arlington!

Sister Kei-Lara Dunigan: Expressed her thanksgiving and gratitude to the congregation for their prayers on behalf of her father's surgery. God heard your prayers! The procedure went well and my father is recuperating. She also expressed thanksgiving to God for covering her family and the Bermudians during Hurricane Fiona. She asked that the congregation would please continue to pray for her and her family at this time.

Sister Cathy Davis: Please pray for everyone like me, one of my brothers, several cousins, two nephews, and one niece who is living with the debilitating effects of Ataxia. September 25th is International Ataxia Awareness Day. Thank you for your prayers and thank GOD this world is NOT my home!

Elder Acie Sanders: Special petitions for Lashay Hines, Sister Michelle Sanders' cousin in Louisiana. She recently learned that the cancer has returned. Elder Sanders stated that Lashay is a fighter and never complains about the issues she has to contend with. Elder Sanders is asking the congregation to pray fervently on Lashay's behalf and she and her husband remain open to obeying the Gospel. Elder Sanders informed the congregation that Brother Ed missed the Sunday Evening Assembly because of car issues. He is doing fine physically but the automotive issues have taken quite a bit of time to resolve. Elder Sanders informed the family that Sister Sha-Kerra Powell is away on business in Minnesota. She plans to return home on Wednesday, Lord willing. Please keep Brother Ronnie and Riley in your prayers as well. We received an update that Sister Sha-Kerra would be flying into Atlanta on Wednesday evening and then driving home to Jacksonville on Thursday Lord willing. Elder Sanders informed the congregation that Stephen Chambers left Jacksonville on Thursday morning for Bossier City, LA. He expressed his gratitude to the congregation for their love and support. Finally, he requested continued prayers and supplications for Sister Janice Merriman, Brother James Merriman and Sister Pat Quammie. The Merrimans are wrestling with challenging personal and spiritual issues that require our prayers. Sister Pat Quammie is away from the area and plans to return home late in the week, Lord willing.

Brother Calvin Payne: Prayers for his wife, Sister Jacquie who is continuing to deal with allergy and sinus pressure issues. She was getting better but unfortunately suffered a relapse. Please keep Sister Jacquie in your prayers. Calvin also asked for personal prayers regarding chest pains that have persisted since Saturday afternoon. He indicated that this has been a stressful week due to long hours at work and other stressors outside this job. Please keep Calvin in your prayers as we strongly encourage him to see his physician as soon as possible. Brother Calvin also asked for prayers of protection and mercy for Ms Gibson, Jonathan's mother-in-law. She was trapped in her attic throughout the night when Hurricane Ian passed over them. It was by God's grace that she made it through the night, was rescued and taken to a safe place. He stated that God was merciful to Jonathan and Megan who made it safely through the storm as well.

Brother Reggie Roper: Offered the following commendations and reminder: Brother Bill—what a powerful revelation of confrontation with self. We could all use it! Sister Cathy's beautiful reminder message this morning reminded me to share with the men that September is prostate cancer awareness month. Much love to all!

**Sister Shirley Bassue:** Prayers and petitions for everyone in the path of Hurricane Ian, especially the Arlington Family. She indicated that she has loved ones in Florida as well. She also stated that God is greater, stronger, and more powerful than anything we are facing! She also requested traveling mercies for her son, Terence Bertin and wife, India as they leave for California at the end of the week for a business meeting, Lord willing. She also stated that she would be caring for her grandkids and using these opportunities to get these precious ones to worship God with her!

**Sister Shereen Miller:** Confessed her sins, and specifically stated that she had been putting on God's Armor over her armor! She said that she was clueless to her behavior but totally agreed with the Word that was preached. She asked God to forgive her of this sin. She also asked for prayers on behalf of her daughter who is serving our country in the military overseas. She has fallen away from the Lord. Sister Shereen is praying that she will come back to God before it's too late.

**Sister Laplachie Tyler:** Expressed her gratitude and thanksgiving to God for His blessings, grace, and mercy on her. She reverently asked our Heavenly Father to allow her to continue to live and serve Him with all of her heart, soul, mind, and strength and keep Him primary in everything she does. She thanked God for the way He used Brother Bill to speak/teach the Word and to please bless and protect the Elders, Deacons, and members of the Arlington congregation. May God be blessed in all we say, do, and think! Sister Tyler requested special prayers for her daughter, Legresha, who is currently hospitalized for heart and stomach issues. She is caring for the grandbabies while the doctors conduct assessments associated with her daughter's challenges.

**Sister Jackie Kern:** Prayers and petitions for her sister, Rachele in Denver, Colorado. She will be having surgery Monday morning on her back, Lord willing. She specifically prayed for the surgery to be successful. She concluded her request by asking specific prayers for her friend whose mother needs to be moved to a better nursing home. Sister Kern continues to give God thanks and praise for His blessings as well as the prayers of the Righteous at Arlington.

**Sister Pat Ifill:** Expressed her gratitude and thanksgiving to the congregation for continuing to keep her in prayer. She also informed the congregation that she has a doctor's appointment on Monday morning at 11:00am, Lord willing, to address edema issues (swollen hands & feet). She thanked God for His mercy and grace as she deals with these physical concerns.

**Sister Arnita Baskin:** Requested special prayers and supplications for her mom, Betty Smith and brother, Ronald Smith. Her mom has been scheduled for stomach aneurysm surgery at Vanderbilt Hospital on October 10th at 7:00am, Lord willing. This has been a slow-moving development but God has opened a door for this procedure to take place. Ronald has been dealing with a painful issue regarding a broken screw and bulging disc in his spine. The doctor and medical team have decided to administer a series of epidurals to alleviate the pain/discomfort associated with the broken screw. Please pray fervently for this strategy which will keep the team from reversing the operation initially done on his spine. Finally, Sister Arnita informed us about a pine tree that fell on her back-yard fence during the storm. Unfortunately, this is the third incident she has dealt with falling pine trees in her back-yard. Through all of these challenges, she expressed her sincere thanks and gratitude for those who have prayed and continue to pray for her mom and brother as well as her safety.
