The Prayers of the Righteous

Brother Calvin Payne: Prayers and petitions that he will be able to deal with his illness. He has not been feeling well and needs to get some rest. He worshipped on the Platform last week.

Sister Brenda Jones: Petitions and supplications for addressing her unexpected medical condition. She was preparing to come to the Assembly last Sunday morning and began to experience severe leg cramps. She had a family member on stand-by to take her to the ER for examination and diagnosis. She later reported that she was feeling somewhat better and was able to participate in church services on the Platform. She asked the congregation to please keep her in prayer.

Sister Kim Petts: Expressed thanksgiving to God for blessing her husband to procure new employment! She also thanked the congregation for their prayers of encouragement and support. She concluded her request by asking God to open a door for her husband to be more open to His Word and will for his life and to be thankful for the way God is blessing his life.

Sister Juandalynn Conaway: Prayers and petitions for health and strength. She is currently dealing with flu-like symptoms and was able to worship on the Platform last week. She petitioned God for a speedy recovery as well.

Brother Tony Evans: Special petitions and prayers for his younger brother who remains hospitalized on a breathing machine. The doctors stated that he is doing much better than last week.

Brother Wilbert Jones: Special petitions for his sister, Elizabeth who continues to struggle with the recent loss of their younger brother. She continues to isolate/distance herself from her family and friends. He and his family are asking God to please open an avenue for Elder Sanders to reach Elizabeth this week.

Brother Charles Williams: Prayers and petitions for Brother Joe Green who is dealing with a severe ear infection. He went to Urgent Care to have his situation reviewed which was a good move on his part. His medication was changed and Joe is feeling much better. He plans to follow up with his primary care physician to apprise him of all the actions that have been taken on his part.

Sister Pam Sirmons: Prayers and condolences for her son, Brother Terence and the McGriff family in the loss of his cousin, Willis Johnson. She is also requesting prayers for his grandmother, Janice McGriff who is currently hospitalized after a fall. Finally, she is asking God to give her relief from back pain and sciatica. She was especially grateful to God for giving her the strength to attend services at the building last Sunday!
